DETAILED ACTION

Allowable Subject Matter

1. Claims 1-16 are allowed.

The following is a statement of reasons for the indication of allowable subject matter: claims 1, 2, 7-8 and 15 recite, inter alia, "an electro-optical device using a test circuit which operates in response to an action command signal periodically changing a level thereof, the electro-optical device including a pixel electrode which is arranged at an intersection of each of scanning lines and each of data lines and serves as one electrode of a capacitor, and a pixel switching element connected between the pixel electrode and the data line, the method comprising: a test switching element connected between the pixel electrode and the data line at a timing delayed from a timing of a level change of the action command signal in the course of outputting a voltage supplied to the pixel electrode to a reading signal-line by using the test circuit." Applicant's arguments base on the above limitations overcome the office action mailed on 05/22/03.

2. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
